

Spirituality – Opening the Door

Spirituality – what's it all about?

Confused about what it is and how to open up to it? Come to the Kilmore Hotel, Cavan, on Friday 12 August. Hear the authentic stories from people working in the field, about their experiences – some humorous, some frightening, all interesting and learn how they developed their own spirituality.

Speakers are:

Catherine Fox of Dawn of Hope, Kells,
Liam Deegan, Spiritual Medium, Virginia,
Margaret Neylon of Angelgate, Virginia,
Paul O'Halloran, Shaman, Galway.

Have your own queries answered during the Question & Answer session and, afterwards, you'll have the chance to experience for yourself some methods used by people working in the spiritual field at *no extra cost!!*

So, if you want to open the door to your spiritual self, and discover what it's all about, come along and meet us. No need to book, just let your spirit guide you to:
